

# Protect Your Account

The SEIU 775 Secure Retirement Plan (SRP) was created to help provide you with additional financial security when you retire. The enclosed statement lets you know how your account is growing. This is a good thing! Now, you need to do two things to make sure your online account is secure.

## Step 1: Make sure your account is registered.

To start, go to [myseiu.be/myplan-srp](https://myseiu.be/myplan-srp). For security reasons, there are several steps to verify your identity in order to set up your account. These steps help prevent others from accessing the money in your account.

- Click on “Create an account” and follow the prompts to begin the registration process. You will need a Registration PIN (Personal Identification Number) to continue the login process.
- When you start the process, your PIN will be sent to the email address on record for you. If you don’t have an email address, the website will prompt you to request a Registration PIN that will be mailed to your address on file. Once received, enter this PIN at [myseiu.be/myplan-srp](https://myseiu.be/myplan-srp) to continue the registration process.
- Finally, set up your username, password, security questions and preferred contact information. You’ll receive a letter in the mail confirming your successful registration.\*

## Step 2: Name a beneficiary.

A beneficiary is the person(s) who would receive the money in your account if you pass away.

After you are logged into your account, click on the Profile icon in the upper right hand corner and choose Beneficiaries. You’ll need Social Security numbers and birth dates for whomever you decide to elect.

\*As part of your registration, the system will lock your account automatically to prevent unauthorized withdrawals. We recommend that you keep your account locked until you are ready/eligible to start taking distributions. In order to unlock your account, you’ll need the code in your registration confirmation letter. Keep this letter in a safe place so you will have it when you need to unlock your account. Otherwise, you will experience a delay while you wait for a new code to be mailed to you.

The screenshot displays the Milliman website interface. At the top, there's a navigation bar with the Milliman logo and language options (ENGLISH, ESPAÑOL). The main content area is divided into three sections. The first section is the login page, featuring a large image of a family and the headline "Someday even Wednesday will feel like a weekend." Below this are input fields for USERNAME, PASSWORD, and PLAN SPONSOR, along with a "Log In" button and a "New To Milliman? CREATE AN ACCOUNT" link. The second section is the registration page, titled "Registration", with the instruction "You should receive your code in the next few minutes. Enter it below." and a text input field containing "761222". There is also a "REMEMBER THIS DEVICE" checkbox and a note "(Not recommended for public devices)". The third section shows the account dashboard. The navigation menu includes "SEIU 775 BENEFITS GROUP", "SEIU 775 Secure Retirement Plan", "Dashboard", "Account Details", "Personal Information", "Account Security", and "Beneficiaries". The "Beneficiaries" page is active, displaying instructions: "It's not something any of us like to think about, but plan for your future by designating a beneficiary to receive your funds." Below this are two columns: "BENEFICIARY INFORMATION" and "MARITAL STATUS". The "BENEFICIARY INFORMATION" column includes text about naming a beneficiary and a link for "Important Beneficiary Information". The "MARITAL STATUS" column includes text about confirming marital status and a "Log Out" button.
