# How to:
Log into the CDWA DirectMyCare Web Portal

1. Open your preferred browser to log into the CDWA DirectMyCare web portal at this link: DirectMyCare
2. From the CDWA DirectMyCare login page, click the **Sign In** button.

3. Enter your email address and your new password.
   - It is recommended that you click the **"Keep me signed in"** box if you are **not** using a shared computer.
4. Click the **Sign In** button.
   - If you have forgotten your password, click on the **"Can't access your account?"** link.
   - Follow the instructions.
5. Answer Attestation questions to access your account.
   - You can find help by going to the CDWA IP resources page.
